**Novatech High Performance**

## The High Performance door

Energy efficiency also goes through the front door

The front door can be considered the heart of your home. This is why we have taken the design of this steel door to another level in terms of energy performance. A door that keeps the cold winter air and the summer heat outside to make your home comfortable all year round.

- ✓ Improved comfort
- ✓ Energy efficiency
- ✓ Superior durability
- ✓ Increased security
- ✓ Unrivaled soundproofing

## Harmonious design

The High Performance door is available in six models that can be matched with the complete collection of decorative glass in triple glazed format.

### Available models

Uno NHP

Vog NHP, p.8

Soho NHP, p.34

Victoria NHP, p.34

Orleans NHP, p.35

London NHP, p.35

## Triple glazing

The doorglass in the High Performance door are triple glazed with two low-emissivity films to ensure that this additional opening provides the energy efficiency you are looking for.

Choose a decorative doorglass from the designs in this brochure to create an entrance that stands out.

A collage of modern design elements. In the top left, there is a cluster of green, feathery plants. Below them are several rectangular panels: a light-colored stone tile, a dark grey stone tile, a piece of light-colored wood with a prominent grain, and a piece of frosted glass. A black metal frame with a handle and a circular detail is visible in the bottom right corner. The background is a light grey stone surface.

# CONTEMPORARY STYLE

## Design collection doors

The unique doors of this collection are the perfect counterpart to the horizontal lines that triumph in contemporary architecture. Vivid or neutral in color, Design collection doors never go unnoticed.

## Vertical accent

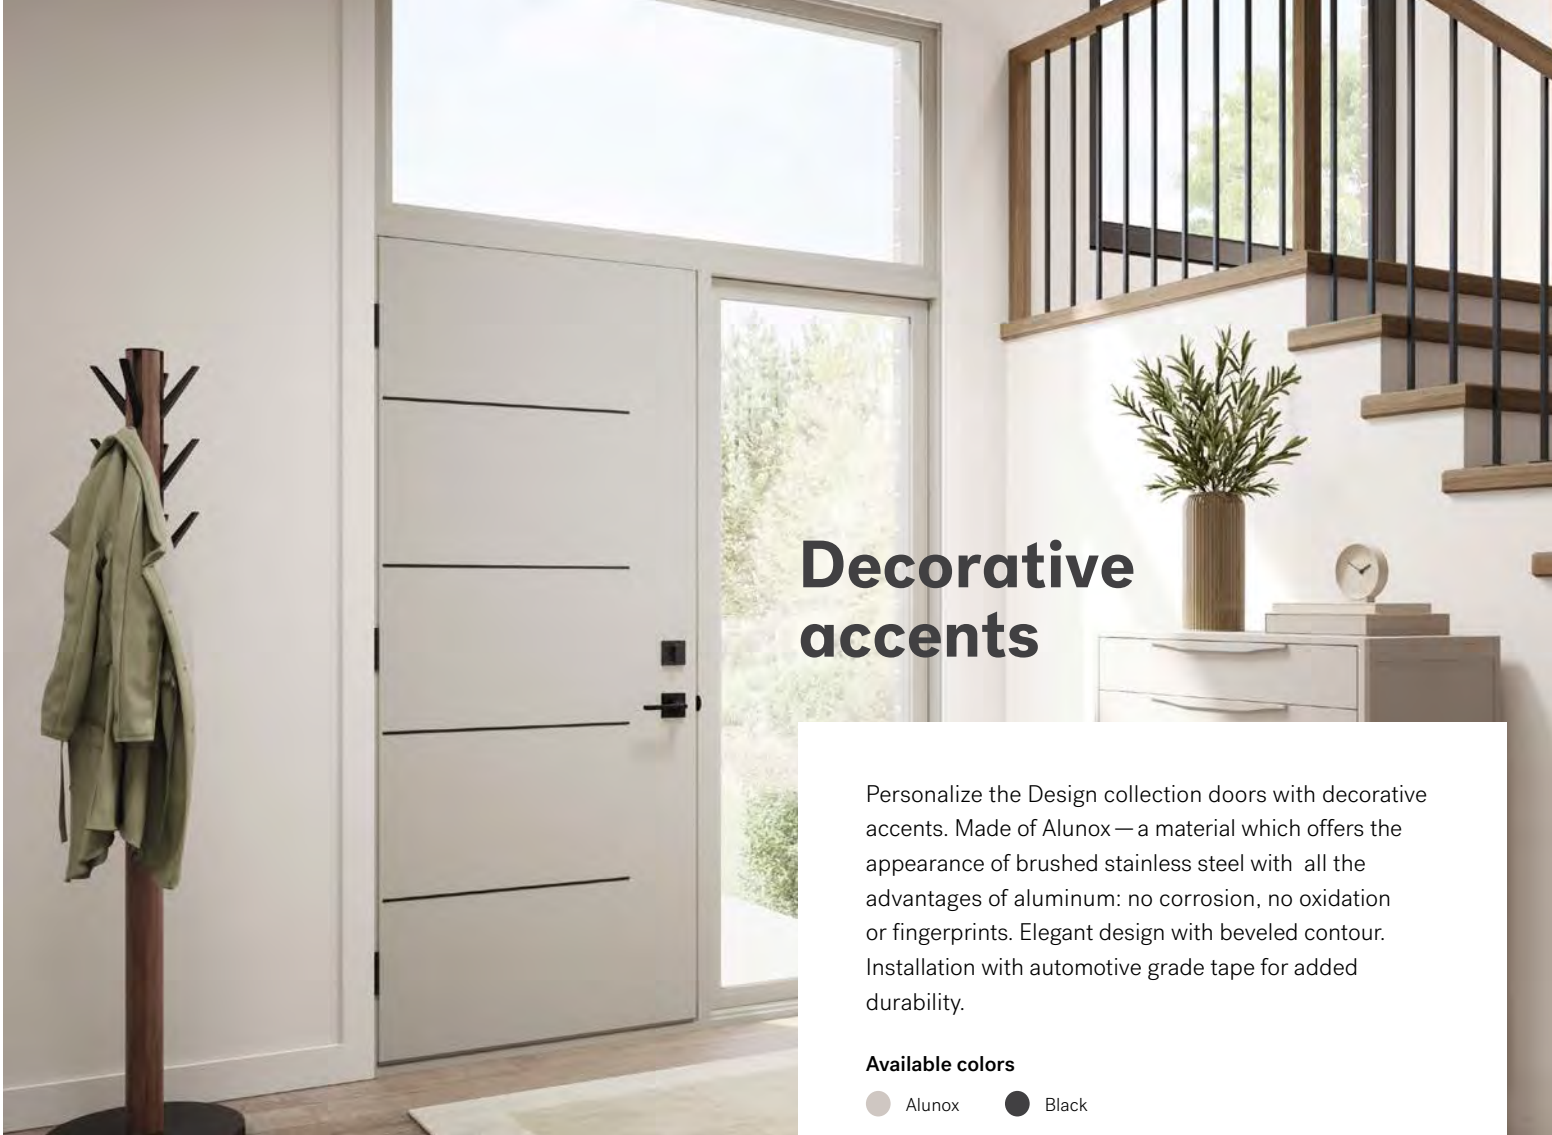

Decorative accent for doors with a vertical doorlite. Available with an Alunox or black finish, the accent is applied over a contemporary hybrid aluminum/PVC doorglass frame of the same color. This combination ensures a perfect seal and finish. Installs with automotive grade tape (included) for added durability.

Pairs with color-matched contemporary hybrid aluminum/PVC frame and doorglass kits. Edge, Oso, sandblasted finish or clear glass inserts available.

Doors sold separately.

# Decorative accents

Personalize the Design collection doors with decorative accents. Made of Alunox — a material which offers the appearance of brushed stainless steel with all the advantages of aluminum: no corrosion, no oxidation or fingerprints. Elegant design with beveled contour. Installation with automotive grade tape for added durability.

# Grilles

Grilles are a great way to match your entrance to the rest of the windows on your classic style home. For a modern, contemporary look, choose a configuration with fewer dividers like our Classic and Country style grilles. Best of all, our grills are between the glass meaning they are maintenance free and will never need to be cleaned.
