We are so happy that you were able to participate in our 5th Annual Customer Appreciation Golf Event with all proceeds going to the YMCA. Thank you for taking the time to attend. It's always awesome to get everyone together.

The synergy created with the Vendors, Dealers and Team Extreme proved success with the Cheque Donation of \$35,000.00 to a cause that is very near and dear to our heart, impacting kids within our communities. In the past 5 years, we have reached a grand total of \$115,000.00 donated to the YMCA.

As you know it takes everyone to come together to have a successful event...

Thank You very much for being part of it.

The inventor of the ice cream cone was born in Sussex Corner, the Dairy Capital of Canada. Walter Donelly made a bad batch of dough. He didn't know what to do with his hard, crispy pastry so he ran next door to the ice cream parlour and the rest is history.
